Although approval of the new Subadvisory Agreement by the Fund’s shareholders is not required, the Manager of Managers Order requires that an Information Statement be made available to the Fund’s shareholders.

This Information Statement is being made available to shareholders of North Square Oak Ridge All Cap Growth Fund (the “Fund”), a series of North Square Investments Trust (the “Trust”), in lieu of a proxy statement, pursuant to the terms of an exemptive order (the “Manager of Managers Order”) that North Square Investments, LLC (the “Adviser”) received from the U.S. Securities and Exchange Commission (the “SEC”). The Manager of Managers Order permits, among other matters, the Adviser, subject to certain conditions, including the approval by the Fund’s Board of Trustees (the “Board”), and without approval by shareholders, to retain or replace an unaffiliated subadviser (or subadvisers).

**This Information Statement Is For Informational Purposes Only And No Action Is Requested On Your Part. We Are Not Asking You For A Proxy And You Are Requested Not To Send Us A Proxy.**

**THE FUND AND ITS ADVISORY AGREEMENT**

The Adviser, located at 10 South LaSalle Street, Suite 1925, Chicago, Illinois 60603, serves as investment adviser to the Fund pursuant to an investment advisory agreement (the “Advisory Agreement”), dated as of May 10, 2019, as amended, and most recently renewed, as amended, by the Board at its meeting held on October 27, 2021 (the “October Meeting”).

Under the Advisory Agreement, the Adviser, among other matters, makes recommendations as to the initial and ongoing engagement of a subadviser. Factors it considers with respect to the selection and retention of a subadviser include, among others: the qualifications of the subadviser’s investment personnel, its investment philosophy and process, its compliance program, and its long-term performance results. The Adviser also monitors the performance of the subadviser on an ongoing basis. As compensation for its services, the Adviser receives a management fee from the Fund and, from this management fee, the Adviser pays the subadviser a subadvisory fee. Subadvisers serve pursuant to separate subadvisory agreements with the Adviser under which the subadviser manages all or a portion of a fund’s investment portfolio, as determined by the Adviser.

**ADVISORY RESEARCH, INC. AND THE SUBADVISORY AGREEMENT**

At the October Meeting, the Board, including a majority of the Board members who are not interested persons of the Fund (the “Independent Trustees”) within the meaning of the Investment Company Act of 1940 (the “1940 Act”), approved, pursuant to the Manager of Managers Order and in accordance with the recommendations of the Adviser, (i) the termination of the subadvisory agreement between the Adviser and Oak Ridge Investments, LLC (“Oak Ridge”) with respect to the Fund; and (ii) a subadvisory agreement (the “Subadvisory Agreement”) between the Adviser and Advisory Research, Inc. (“Advisory Research”), with respect to the Fund. Advisory Research began serving as the subadviser to the Fund on January 11, 2022, pursuant to the Subadvisory Agreement with the Adviser effective as of January 11, 2022. In connection with the appointment of Advisory Research, the Board also approved a change in the Fund’s name to “North Square Advisory Research Small Cap Growth Fund,” along with changes to the Fund’s non-fundamental investment policy, principal investment strategies and principal risks to reflect Advisory Research’s investment approach for the Fund. These changes became effective on January 11, 2022. The terms of the Subadvisory Agreement are essentially the same as those of the previous subadvisory agreement with Oak Ridge, including with respect to the fee rates payable under the Subadvisory Agreement.

### **Management Fees Paid to the Adviser and Subadvisory Fees Paid to the Subadviser**

Under the Advisory Agreement, the Fund pays the Adviser an annual management fee of 0.70%, calculated daily and payable monthly, as a percentage of the Fund's average daily net assets. The fee payable by the Fund to the Adviser did not change as a result of the change in subadviser. As of January 11, 2022, the Adviser has contractually agreed to waive its advisory fee and/or reimburse expenses in order to limit Total Annual Fund Operating Expenses (excluding any taxes, leverage interest, brokerage commissions, dividend and interest expenses on short sales, any acquired fund fees and expenses, expenses incurred in connection with any merger or reorganization, and extraordinary expenses such as litigation expenses) to 1.19% and 0.94% of the Fund's average daily net assets attributable to Class A and Class I shares, respectively. Prior to January 11, 2022, the Fund's contractual expense cap is 1.20% and 0.95% for the Class A and Class I shares, respectively.

The Adviser, in turn, pays Advisory Research an annual fee of 0.35% based on the Fund's average daily net assets, out of its own assets. The subadvisory fee payable by the Adviser to the subadviser did not change as a result of the change in subadviser.

For the fiscal year ended May 31, 2021, the Fund paid the Adviser advisory fees based on its average daily net assets pursuant to the Advisory Agreement, net of any fee waivers in effect at that time, as follows:

Advisory Fees	% of Average Daily Net Assets
\$ 26,907	0.20%

For the fiscal year ended May 31, 2021, the Adviser, in turn, paid Oak Ridge subadvisory fees based on the Fund's average daily net assets pursuant to the prior subadvisory agreement (with waivers in effect at that time) as follows:

Sub-advisory Fees	% of Average Daily Net Assets
\$13,454	0.10%

The same subadvisory fee would have been paid to Advisory Research if its Subadvisory Agreement had been in effect for the fiscal year ended May 31, 2021.

**BOARD CONSIDERATION AND APPROVAL OF THE SUBADVISORY AGREEMENT**

At the October Meeting, the Fund’s Board, including a majority of the Independent Trustees, upon the recommendation of the Adviser, unanimously approved the Subadvisory Agreement between the Adviser and Advisory Research with respect to the Fund.

At the October Meeting, in determining whether to approve the Subadvisory Agreement, the members of the Board reviewed and evaluated information and factors they believed to be relevant and appropriate in the exercise of their reasonable business judgment. While individual members of the Board may have weighed certain factors differently, the Board’s determination to approve the Subadvisory Agreement was based on a comprehensive consideration of all information provided to the Board with respect to the approval of the Subadvisory Agreement. The Board was also furnished with an analysis of its fiduciary obligations in connection with its evaluation of the Subadvisory Agreement and, throughout the evaluation process, the Board was assisted by Fund Counsel and Independent Trustee Counsel who each provided legal memoranda to the Board detailing the duties and responsibilities of the Board in connection with the approval of the Subadvisory Agreement.

Following an analysis and discussion of the foregoing, and the factors identified below, the Board, including all of the Independent Trustees, approved the Subadvisory Agreement with Advisory Research.

*Nature, Extent and Quality of Services*

The Board considered information regarding the nature, extent and quality of services proposed to be provided to the Fund by Advisory Research. The Board considered, among other things, the terms of the Subadvisory Agreement and the range of services proposed to be performed by Advisory Research. The Board considered Advisory Research’s reputation, organizational structure, and resources and overall financial strength (including economic and other support provided by affiliates of the Adviser), its willingness to consider and implement organizational and operational changes designed to enhance services to the Fund.

The Board also considered Advisory Research’s professional personnel who would provide services to the Fund, including Advisory Research’s ability and experience in attracting and retaining qualified personnel to service the Fund. In addition, the Board considered the compliance program and compliance record of Advisory Research. The Board noted Advisory Research’s support of the Fund’s compliance control structure, including the resources that would be devoted by Advisory Research in support of the Fund’s obligations pursuant to Rule 38a-1 under the 1940 Act and the efforts of Advisory Research to address cybersecurity risks and invest in business continuity planning, including the steps taken by Advisory Research to address the challenges created by the Covid-19 pandemic.

The Board considered the Adviser’s responsibilities, including, but not limited to, monitoring and evaluating the performance of Advisory Research, monitoring Advisory Research for adherence to the stated investment objective, strategies, policies and restrictions of the Fund, and supervising Advisory Research with respect to the services that Advisory Research would provide under the Subadvisory Agreement. In this regard, the Board evaluated information about the nature and extent of responsibilities retained and risks assumed by the Adviser and not delegated to or assumed by Advisory Research. The Board also considered the process used by the Adviser, consistent with the “manager-of-managers” structure, to identify and recommend sub-advisers, and its ability to monitor and oversee sub-advisers and recommend replacement sub-advisers, when necessary, and provide other services under the Advisory Agreement.

The Board also considered, among other things, the quality of Advisory Research's investment personnel, its investment philosophies and processes, its investment research capabilities and resources, its performance record, its experience, its trade execution capabilities and its approach to managing risk. The Board considered the experience of the Fund's anticipated portfolio managers, the number of accounts managed by the portfolio managers, and Advisory Research's method for compensating the portfolio managers. Moreover, the Board considered that the Adviser has oversight responsibility for conflicts of interest relating to the Fund.

After consideration of the foregoing factors, among others, the Board concluded that the nature, extent and quality of services to be provided by Advisory Research, taken as a whole, are appropriate and consistent with the terms of the Subadvisory Agreement. In addition, the Board concluded that the Fund was likely to continue to benefit from services to be provided under the Subadvisory Agreement.

#### *Fund Performance*

The Board observed Advisory Research's relevant performance results versus the Fund's benchmark over different time periods.

Based on these considerations, the Board concluded that it was satisfied that Advisory Research would have the capability of providing satisfactory investment performance for the Fund.

#### *Subadvisory Fees and Expenses*

The Board reviewed and considered the proposed level of subadvisory fees under the proposed Subadvisory Agreement, noting that the proposed subadvisory fees payable to Advisory Research would be paid by the Adviser and would not impact the fees paid by the Fund. The Board also considered that the sub-advisory fees to be paid to Advisory Research had been negotiated by the Adviser on an arm's length basis.

The Board reviewed information from Morningstar Inc. comparing the Fund's advisory fee rate, which was not proposed to change, and total expense ratio relative to a group of its peer funds. While the Board recognized that comparisons between a fund and its peer funds may be imprecise, the comparative information provided by Morningstar Inc. assisted the Board in evaluating the reasonableness of the Fund's fees and total expense ratio.

The Board also received and considered information about the nature and extent of services offered and fee rates charged by Advisory Research to other types of clients with investment strategies similar to those of the Fund. In this regard, the Board received information about the significantly greater scope of services, and compliance, reporting and other legal burdens and risks of managing proprietary mutual funds compared with those associated with managing assets of other types of clients, including non-mutual fund clients such as institutional separate accounts.

Based on its consideration of the factors and information it deemed relevant, including those described here, the Board concluded that the compensation payable to Advisory Research under the proposed Subadvisory Agreement was reasonable.

#### *Profitability*

The Board received information relating to the operations and expected profitability to Advisory Research from providing services to the Fund. The Board considered representations from the Adviser and Advisory Research that the subadvisory fees to be paid to Advisory Research had been negotiated on an arm's length basis, and that the subadvisory fees are paid by the Adviser and not the Fund. Accordingly, the Board concluded that the profitability of Advisory Research is a less relevant factor with respect to the Board's consideration of the proposed Subadvisory Agreement.

Based on its review, the Board did not deem any expected profits reported by the Adviser and Advisory Research from services being provided by each to the Fund to be at a level that would prevent it from approving the Subadvisory Agreement.

#### *Economies of Scale*

The Board recognized that, because Advisory Research's fees would be paid by the Adviser and not the Fund, the analysis of economies of scale and profitability was more appropriate in the context of the Board's consideration of the Fund's Advisory Agreement, which was separately considered and renewed at its meetings on September 22-23, 2021, and again considered and amended by the Board at the October Meeting.

#### *"Fall-Out" Benefits*

The Board considered the potential benefits, other than subadvisory fees, that Advisory Research and its affiliates may receive because of their relationships with the Fund, including the benefits of research services that may be available to Advisory Research as a result of securities transactions effected for the Fund and other investment advisory clients, as well as other benefits from increases in assets under management.

Based on its consideration of the factors and information it deemed relevant, including those described here, the Board did not find that any ancillary benefits that may be received by Advisory Research and its affiliates are unreasonable.

#### *Conclusion*

After considering the above-described material factors and based on its deliberations and its evaluation of the information described above, and assisted by the advice of both Fund and independent legal counsel, the Board, including the Independent Trustees, concluded that the approval of the Subadvisory Agreement was in the best interest of the Fund and its shareholders.

On October 27, 2021, the Board, including all of the Independent Trustees, approved the Subadvisory Agreement. In reaching this conclusion, no single factor was determinative.
