**Chicago, IL (June 30, 2021)** – North Square Investments today announced industry veterans Brendan Kinnarney, Joe Michelotti and Steve Schneider have joined the firm’s Distribution team as vice presidents. The announcement was made by CEO Mark Goodwin, who said all three will report to Head of Distribution, Phil Callahan.

“As we continue to build our firm and expand our investment capabilities, we are delighted to have these three individuals join North Square, Goodwin said. “With their backgrounds, experience and established relationships, we know that Brendan, Joe and Steve will be outstanding additions to our team.”

Callahan said Brendan, Joe and Steve will be responsible for partnering with financial intermediaries including broker dealer advisors, RIAs and private wealth managers in their respective regions. “We’re very excited to have Brendan, Joe and Steve join our firm to provide uninterrupted sales support and client service to former Stadion Money Management relationships, and to broaden our outreach into important channels, where they will be an essential resource to our partners,” Callahan said.

Kinnarney, Michelotti and Schneider were formerly employees of Stadion Money Management and most recently represented these funds as portfolio consultant directors for FLX Distribution from July, 2020 until North Square’s acquisition of the Stadion Funds was completed on June 14, 2021.

Joe received his Bachelor’s Degree from the University of Michigan, Ann Arbor.

Steve Schneider was previously a regional vice president of investments for Stadion, joining the firm in 2013 to help build Stadion's investment products in the retail distribution channel, and responsible for covering Northern California and the Pacific
