The Fund's advisor has contractually agreed to waive its fees and / or pay for expenses to ensure they do not exceed 1.39%, 2.14%, 1.14% and 0.99% of the average daily net assets of the Class A, C, I Shares, respectively. This agreement is in effect until September 30, 2021, and this agreement may be terminated by the Trust's Board of Trustees. The Advisor is permitted to seek reimbursement from the Fund, for three years from the date of any such waiver or payment to the extent a class's total annual fund operating expenses do not exceed the limits described above.

Call 855-551-5521 or visit northsquareinvest.com for the most recent month-end performance results. Fund facts are as of 6/30/21 unless otherwise stated. Current performance may be lower or higher than the performance data quoted. The performance data quoted represents past performance, which is no guarantee of future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost.

Important Risks: Equity securities, such as common stocks, are subject to market, economic and business risks that may cause their prices to fluctuate. Investments made in small capitalization companies may be more volatile and less liquid due to limited resources or product lines and more sensitive to economic factors.

The Russell 2000 Growth Index measures the performance of those Russell 2000 companies with higher price-to-book ratios and higher forecasted growth values. The volatility (beta) of an account may be greater or less than its respective benchmark. It is not possible to invest directly in an index.

Before investing you should carefully consider the Fund's investment objectives, risks, charges and expenses. This and other information is in the prospectus, a copy of which may be obtained by calling 855-551-5521. Please read the prospectus carefully before you invest. Distributed by Compass Distributors, LLC. Member FINRA.

Price-to-Earnings Ratio is the price of a stock divided by its earnings per share. **Active share** is a measure of the percentage of stock holdings in a manager's portfolio that differ from the benchmark index.

Morningstar Percentile Rankings may reflect the waiver of all or a portion of the fund's fees. Without such waiver, the Rankings may have been lower. © 2021 Morningstar, Inc. All Rights Reserved. The information contained herein: (1) is proprietary to Morningstar; (2) may not be copied or distributed; and (3) is not warranted to be accurate, complete or timely. Neither Morningstar nor its content providers are responsible for any damages or losses arising from any use of this information. Past performance is no guarantee of future results.

The Russell 2000 Index is a subset of the Russell 3000® Index representing approximately 10% of the total market capitalization of that index. It includes approximately 2000 of the smallest securities based on a combination of their market cap and current index membership.
